<b>Cage Code:</b>	0Y250
<b>DUNS NUMBER:</b>	85-919-5075
<b>NAICs:</b>	334210, 423430, 423690

PICS Telecom International's program is designed to meet the telecom, data and networking equipment needs of government agencies across the U.S. Our GSA contract enables us to provide pre-owned, refurbished & used equipment to the U.S. government, including all federal, state and local agencies.

We streamline the procurement process and provide a reliable, proven resource for complete network fulfillment, disaster recovery, sparing and asset recovery solutions. Equipment from PICS Telecom International is rigorously tested and each purchase includes an advanced-replacement warranty.
